Type Question Grid		

Question

To what extent do you AGREE or DISAGREE with the statements below?

Rows

1	A person must have a job to feel a full member of society
2	Big business benefits owners at the expense of workers

3	There should be more women bosses in important jobs in business and industry
4	People like me have no say in what the Government does
5	Women who do not have a job are dull
6	It is alright for people from different races to get married
7	Being single provides fewer worries or responsibilities
8	If a child is ill and both parents are working it should usually be the mother who takes time off to look after the child
9	Management will always try to get the better of employees if it gets the chance
10	People can have a satisfying relationship without children
11	Problems in the environment are not as serious as people claim
12	Being a housewife is just as fulfilling as working for pay
13	A person can get satisfaction out of life without having a job
14	Women should have the same chance as men to get some training or have a career
15	The law should be obeyed, even if a particular law is wrong
16	We should tackle problems in the environment even if this means slower economic growth
17	I would not mind if my child went to a school where half the children were of another race
18	A marriage without children is not fully complete

Type Question Grid		

Question

Below are statements on some more topics. To what extent do you AGREE or DISAGREE with these statements?

Rows

1	Men and women should do the same jobs around the house
2	Ordinary working people do not get their fair share of the nation's wealth
3	I would not expect my partner to be always faithful
4	I would not mind working with people from other races
5	Having almost any job is better than being unemployed
6	For some crimes the death penalty is the most appropriate sentence

7	When both partners work full-time, the man should take an equal share of the domestic chores
8	It does not really make much difference which political party is in power in Britain
9	All women should have the right to choose to have an abortion if they wish
10	Divorce is too easy to get these days
11	The time has come for everyone to arrange their own private health care and stop relying on the National Health Service
12	Having children seriously interferes with the freedom of their parents
13	Preserving the environment is more important than any other political issue today
14	It is alright for people to have children without being married
15	Private schools should be abolished
16	People should consider the needs of their children as more important than their own
17	If I didn't like a job I'd pack it in, even if there was no other job to go to
18	Married people are generally happier than unmarried people
19	I would not want a woman to be my boss

qg_sD_1-5 - sD 1-5		
Name qg_sD_1-5	Label sD 1-5	Location Sequence › ncds_91_wdyt › Section D - Your Work
Type Question Grid		

Question

Here is a list of statements to do with your job, that is the work that you spend most time at each day. If you do not go out to work but are occupied full time by housework or childcare treat this as your job. Some of the statements will be VERY TRUE for you while others will be NOT TRUE AT ALL. Read carefully the statement on the left, then decide to what extent it applies to you and CIRCLE the relevant NUMBER on the right.

Rows

1	My work requires me to keep learning new things
2	My work is monotonous because I always do the same things
3	My present work skills will be useful or valuable in five years time
4	I am able to vary the pace at which I work
5	I can only take breaks at certain times
