bcs70_univ - BCS 1970 Study Population

BCS 1970 Study Population

All those born, including still births, in one particular week in April 1970 until they die or permanently emigrate from Great Britain.

bcs70_birth_univ - BCS 1970 Birth Population

BCS 1970 Birth Population

All babies (alive or dead) after the 24th week of gestation in one particular week in 1970 in the United Kingdom.

bcs_70_age5_univ - BCS 1970 Age 5 Population

BCS 1970 Age 5 Population

All children born on a particular week in 1970 in Great Britain or who, having been born in that week elsewhere, emigrated to Great Britain.

 bcs_70_age10_univ - BCS 1970 Age 10 Population

BCS 1970 Age 10 Population

All children born in one particular week in 1970 in Great Britain or who, having been born in that week elsewhere, emigrated to Great Britain.

 bcs_70_age16_univ - BCS 1970 Age 16 Population

BCS 1970 Age 16 Population

All children born in one particular week in 1970 in Great Britain or who, having been born in that week elsewhere, emigrated to Great Britain.

 bcs_70_age26_univ - BCS 1970 Age 26 Population

BCS 1970 Age 26 Population

All children born in one particular week in 1970 in Great Britain or who, having been born in that week elsewhere, emigrated to Great Britain before their 16th birthday.

 bcs_70_age30_univ - BCS 1970 Age 30 Population

BCS 1970 Age 30 Population

All children born in one particular week in 1970 in Great Britain or who, having been born in that week elsewhere, emigrated to Great Britain before their 16th birthday.

 bcs_70_age34_univ - BCS 1970 Age 34 Population

BCS 1970 Age 34 Population

All children born in one particular week in 1970 in Great Britain or who, having been born in that week elsewhere, emigrated to Great Britain before their 16th birthday, less those who died, refused or had not taken part since the ten-year follow-up.

 bcs_70_age38_univ - BCS 1970 Age 38 Population

BCS 1970 Age 38 Population

All those born in one particular week in April 1970 in Great Britain or, who having been born that week elsewhere, emigrated to Great Britain before their 16th birthday and who had either taken part in one of the previous two sweeps (in 2004 and 2000) or who had personally confirmed their address or who had been traced.

 bcs_70_age42_univ - BCS 1970 Age 42 Population

BCS 1970 Age 42 Population

All those born in one particular week in April 1970 in Great Britain or, who having been born that week elsewhere, emigrated to Great Britain before their 16th birthday and who had either taken part in one of the previous two sweeps (in 2008 and 2004) or who had confirmed their address before 2004 or who had been traced.

 bcs_70_covid_wave1 - BCS 1970 COVID Wave 1 Population

BCS 1970 COVID Wave 1 Population

The COVID-19 Survey Wave 1 involved participants from the 1970 British Cohort Study. Invitations to participate in Wave 1 were sent via email to all those for whom an email address was held, including emigrants, but not including those who have permanently withdrawn from the studies, died or been defined as 'permanently untraced'.

 bcs_70_covid_wave2 - BCS 1970 COVID Wave 2 Population

BCS 1970 COVID Wave 2 Population

The COVID 19 Survey Wave 2 involved participants from the 1970 British Cohort Study. Invitations to participate in Wave 2 were sent via email to all those for whom an email address was held, including emigrants, but not including those who have permanently withdrawn from the studies, died or been defined as 'permanently untraced'.
