Type	
Statement	

Statement Text

- The answers to the questions are shown by putting a ring with a soft pencil round the code number or letter opposite the mother's answer. If the answer does not fit any alternative, write it below the question itself. When comments or opinions are asked for, as far as possible write down the mother's own words. If the mother refuses to answer any question put a ring round "X" for "No answer."

Statement	

Statement Text

- It will probably be most convenient to make an appointment with the mother for this interview. If she refuses to be interviewed, try to find out her reasons and write them in the space provided. Then fill in as much of the questionnaire as you can from the records, the essential items to obtain being the mother's age (6), number of children (16), whether she attended for ante-natal care (21), where she was confined (26), and occupation of her husband (45).
