EXPLANATORY NOTE

s_intro_v

The student named above is a member of this national sample of 5,000 young people who have been followed up since their birth in 1946, through the generous co-operation of Local Education Authorities, schools, the Youth Employment Service, health visitors, colleges. We are now trying to collect a little information about the further studies of the sample members, so that we can have accurate information about their educational attainment.

s_intro_vi

We believe, either from a form completed by the college in 1966, or from information supplied by the student, that he attended your college in the sessions 1966/67 or 1967/68. We should be most grateful if you would provide us with information about the course and his performance EVEN IF HE DID NOT COMPLETE THE SESSION. Since all the information which we require will be in the college's records, no direct contact with the student will be required.

s_intro_vii

All information will be regarded as strictly confidential and there is no possibility of the name of the college, or of the student, appearing in any report.

s_intro_viii

HOW TO FILL IN THIS FORM

s_intro_ix

We would ask that this form be completed by the Head of Department concerned. Where a question has several possible answers, please circle the number opposite the appropriate reply. If you feel that further amplification of any reply is needed, please do not hesitate to give it. Please put your answers in the column appropriate to the session 1966/67 or 1967/68.

s_intro_x

If the student did not enrol at this college in these two years but you know he went on to another college, please insert the name of the new college at the top of the form and return it for re-allocation.

s_intro_xi

When the form is completed please return it to the National Survey of Health and Development, M.R.C. Unit, London School of Economics,

When we last contacted you, you were in the occupation we have written in red. Please bring the record up-to-date with the details of all the jobs you have done since, finishing with what you are doing now. If you have been promoted or changed your work within the same firm, please give the details. If you are still in the same job, please write "still there". If you are a full-time student, please give the name of the college and the course, if the information in red is not correct.
