At the time of the interviews carried out by Youth Employment Officers, he/she was still attending school or college full-time. Since that time he/she has left school or college, and in order to have accurate knowledge of the job histories, up to their eighteenth birthdays, of all of those Survey members who have now started work, Youth Employment Officers are asked to obtain information for these late school-leavers in a similar manner to their follow-up of the young people they have previously interviewed on behalf of the Survey.

Please complete Question 1 with all jobs, periods of unemployment or sickness from the date of leaving full-time education up to 9 March 1964. The method of obtaining this information is left entirely to the discretion of YEOs. But we hope that where changes of jobs have occurred it will be possible to ensure the record is complete. In a similar way, Question 2 refers to part-time education.
